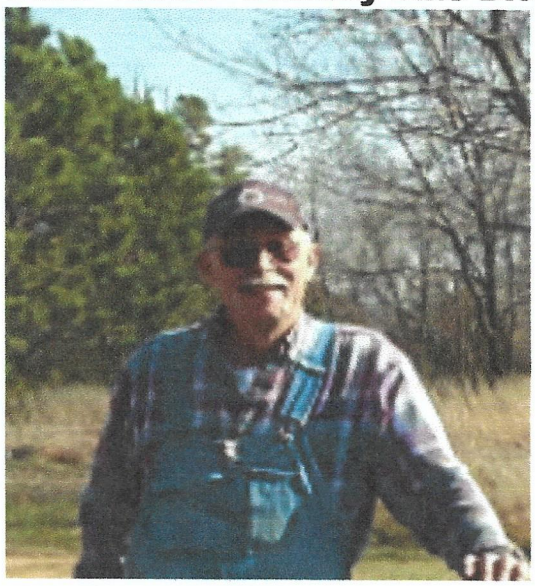
MMR_0257 Stephen J. Titus MCoC Cowboy Line Division



Stephen J. Titus was a Master Model Railroader(MMR), a prestigious title awarded by the National Model Railroad Association (NMRA). To achieve this honor, model railroaders must earn Certificates of Achievement in at least seven of the eleven Achievement Program (AP) categories. These categfories cover very aspects of model railroading such as scenery, structures, electrical work and more.

The MMR designation signifies a high level of skill, dedication, and expertise within the hobby. Stephen J. Titus, along withother accomplished modelers, contributed significantly to the world of model railroading.
